Summary of Details

Where?

Our Sr. High & Jr. High youth will team up with First Baptist Church Aurora youth on our journey to Cottage Cove Urban Ministries in Nashville TN.

What are we doing?

We'll have Bible study every morning with the Executive Director of Cottage Cove Brent MacDonald. Each afternoon your mission experience continues with preparation for programming with the inner-city children who attend Cottage Cove, and/or assisting in projects which keep the facilities in ready condition for ministry. Of course, direct interaction with the children is a highlight of the day!

Dates?

June 13, 2010 – June 19, 2010

More information on the trip and fundraising will follow.

Cost?

\$375/person (if more than one person per family signs up the 2nd person is \$355) with \$50/person non-refundable deposit due at registration.

Registration ends March 28, 2010. We will also be doing fundraisers to help reduce the cost. If finances are an issue please talk to a youth leader.
